2022-2023 Board of Education
School Cluster Assignments

To: All Staff

From: Michael J. Martirano, Ed.D.
Superintendent

Beginning in November 2020, members of the Board of Education of Howard County are elected by Council Manic District with two at-large members and represent all citizens of the county on matters related to public education. However, in order to facilitate school visitations, attendance at special events, and provide a point of contact for each school community, the Howard County public schools have been identified by clusters and assigned to each Board member. Keeping with current practice, the Chair is not assigned to a specific cluster due to the many responsibilities and demands on the Chair's time.
