DESCRIPTION

Under the direction of the Superintendent and the Chief Operating Officer, the Director of Security, Emergency Preparedness, and Response will be the district leader and expert in disaster, security, and emergency planning for all Howard County Public School System school sites and offices. The Director leads the Office of Security, Emergency Preparedness, and Response and is responsible for the coordination, development, and promotion of emergency service operations, with a key focus on putting our students, faculty, staff, and the public we serve at the center of all of our policies, procedures, and best practices. The Director will coordinate emergency management programs and activities associated with preparation for, response to, and recovery from natural or manmade disasters or emergencies.

ESSENTIAL POSITION RESPONSIBILITIES

- Provides training to staff on approved district emergency protocols. Organizes regular disaster exercises and drills to evaluate local and district emergency response plans. Ensures that all district emergency teams are compliant and “response ready” according to district procedures.
- Reviews and approves school emergency response plans, works collaboratively with first responders, district administrators, and other stakeholders to facilitate any necessary revisions or modifications to the district’s emergency management plan. Maintains and updates all resource materials associated with emergency preparedness plans.
- Works with emergency coordinators/managers from other jurisdictions and agencies to develop an operational plan for using suitable district schools as temporary emergency shelters for community support after a natural disaster.
- Designs and administers emergency and disaster preparedness training courses, materials, and plans to train district administrators, site leaders, and support personnel.
- Identifies necessary equipment for responding to emergencies. Determines equipment placement, inventory, maintenance, and testing. Provides instruction on equipment maintenance and use.
- Participates in local and regional emergency planning groups and exercises. This includes participation in district and community threat response and at-risk behavior teams as assigned. Collaborates with other emergency management personnel, local, state and federal officials, schools, and hospitals in order to facilitate plan development and response effort coordination.
- Performs a variety of assessments to determine or recommend protective action required for safeguarding students, staff members, and the community.
- Responds to emergency and disaster situations involving hazardous materials, inclement weather, evacuation, and/or sheltering to provide assistance and coordinate county resources.
- Attends meetings, seminars, workshops, and training sessions as appropriate; maintains a comprehensive current knowledge and awareness of emergency management strategies and applicable laws/regulations.

Dr. Michael J. Martirano, Superintendent
