DESCRIPTION

Under the direction of an Office of Student Transportation Area Manager, the Area Field Specialist will assist in the planning, coordination, implementation, and execution of all transportation activities and school bus operations for the respective Area Manager. The Area Field Specialist will work with all department staff to monitor and resolve issues impacting on the department's successful operations. This position will be responsible for collecting and analyzing data relative to the day-to-day operations respective to the area of assignment and may prepare statistical data and reports as directed by the Office of Student Transportation.

ESSENTIAL POSITION RESPONSIBILITIES

- Assist in developing, implementing, and supervising programs associated with the safe, efficient, and reliable transportation of students.
- Prepare, design, and maintain public and contract school bus routes to include adjusting bus schedules that support school time changes.
- Assist in the daily operation and coordination of school bus service.
- Analyze bus routes and bus stops for safety and efficiency compliance.
- Work with school based and central office administration in addressing student transportation concerns.
- Assist in addressing parent and community concerns relative to transportation services and traffic safety.
- Assist and collaborate in areas such as preparing transportation impact studies on school redistricting, assigning areas of responsibility, performance review of bus contractors, and checking road conditions during weather events.
- Coordinate route coverage under the direction of Transportation Coordinator(s).
- Assist in audits associated with the monthly school bus contractors' invoices.
- Provide assistance in the inspection of school buses on a scheduled and unscheduled basis.
- Utilize technology to monitor and audit performance of drivers and attendants.
- Maintain continuing familiarity with the county and its growth, requiring constant review of all existing communities, new communities and new roads that affect school bus routes and non-transported areas through on-the-road observations and from information received from the planning office.
- Maintain accurate databases.
- Communicate and interact courteously and effectively with transportation staff, school officials, parents, and the community.
- Maintain and provide daily reports as required and requested.
