Diversity, Equity, and Inclusion

Religious/Cultural Observances for  
School Year 2024-2025

To: All Staff

From: Judith Jones  
Director of Diversity, Equity, and Inclusion

HCPSS respects the value of all religious observances for students, staff, and families in Howard County. The HCPSS Academic Calendar lists many dates of interest, including religious and cultural observances. The annual academic calendar supports the instructional program and must comply with regulations in Maryland law (COMAR and the Annotated Code of MD). State law mandates days when schools must be closed. The Board of Education of Howard County (Board) may determine that schools will be closed at other times in furtherance of other educational interests or operational needs. To close school system-wide on any day other than those mandated by Maryland law, the district must establish that a school closure furthers a secular purpose, such as an operational need or educational interest.

While each case must be evaluated independently, the likelihood of high absentee rates on any given day for staff and/or students that significantly impacts the operation of a school or the school district, may warrant closure of all schools.

A student's observance of a religious holiday is an excused absence under Maryland law. Policy 3000 Religious Observances details the legal and policy provisions concerning the exercise and expression of religion by students and staff in the HCPSS. Policy 9010 Attendance describes the requirements for student attendance and the procedures for receiving make-up work for lawful/excused absences. Students who are absent due to a religious holiday observance will be given an equal number of days to complete classwork as their peers who were not absent for a religious holiday observance.

It is important that we remain sensitive to our community members who are observing religious holidays. HCPSS is unable to accommodate system-wide closures for every religious observance. However, school staff should accommodate those observing the holidays. Therefore, school-wide event programming should not be scheduled on the days/evenings of major religious holy day observances. This includes:

- Locally mandated tests and examinations
- Schoolwide activities, including field trips for an entire grade
- HCPSS athletic contests, school concerts/plays and other extracurricular competitions (MPSSAA state events might be scheduled)

However, HCPSS athletic practices, school concerts/play rehearsals can be scheduled, but will not be mandatory.

The following Religious Observances charts are intended to guide HCPSS leaders in planning for the 2024-2025 school year. It is important that administrators and supervisors share this information with teachers and all staff members who plan student and school activities.

## Religious/Cultural Observances August 2024 – August 2025

HCPSS respects the value of all religious observances for students, staff, and families in Howard County. However, because the school system is unable to accommodate system-wide closures for every observance, it is important that we remain sensitive to our community members who are observing religious holidays. The holidays that are in ***bold italics*** are included on the HCPSS Academic Calendar.

Schoolwide event programming, including locally mandated testing and field trips, should not be scheduled on the following days/evenings of religious observances **listed in bold italics**. **Please note that students observing the holidays in bold italics should be excused from homework during their observance of the days and will have an equal number of days to complete make-up work. Any student observing the holidays not in bold italic shall work with staff to make arrangements for making up work.**

Observance Timeframe	Day	Date/Year	Religious/Cultural Observance	Religion/Culture	Notes
