2025-2026 Board of Education  
School Cluster Assignments

To: All Staff

From: William J. Barnes  
Superintendent

Beginning in November 2020, members of the Board of Education of Howard County are elected by Council Manic Districts with two at-large members and represent all citizens of the county on matters related to public education. However, in order to facilitate school visitations, attendance at special events, and provide a point of contact for each school community, the Howard County public schools have been identified by clusters and assigned to each Board member. Keeping with current practice, the Chair is not assigned to a specific cluster due to the many responsibilities and demands on the Chair's time.

A copy of the Board Cluster Assignments for 2025-2026 is attached.
