2019-2020 Board of Education  
School Cluster Assignments

TO: All Staff

FROM: Michael J. Martirano, Ed.D.  
Superintendent

Members of the Board of Education of Howard County are elected at large and represent all citizens of the county on matters related to public education. However, in order to facilitate school visitations, attendance at special events, and provide a point of contact for each school community, the Howard County public schools have been identified by clusters and assigned to each Board member. Keeping with current practice, the Chair is not assigned to a specific cluster due to the many responsibilities and demands on the Chair's time. Cluster assignments will be reviewed again in December after the election of Board Officers.

A copy of the Board Cluster Assignments for 2019-2020 is attached.

## **Board of Education Cluster Assignments – 2019-2020**

Howard County public schools are divided into school clusters, which are assigned to individual Board members to facilitate school visitations, attendance at special events, and serve as points of contact for each school community. In recognition of the many responsibilities and demands on the Chair's time, the Board Chair has not been assigned a school cluster.
