From: Karalee Turner-Little

On July 11, 2019, the Superintendent provided to the Board modified implementation procedures to Policy 8080 Responsible Use of Technology and Social Media. The implementation procedures were modified to align with new HCPSS best practices and provide more transparency for staff in regard to their responsibilities for laptops and other mobile devices assigned to them.

All of these changes are effective immediately. These policies and implementation procedures in their entirety can be accessed on the HCPSS website at <http://www.hcpss.org/board/policies/>.
