On September 3, 2015, the Superintendent provided to the Board modified implementation procedures to Policy 6080 Sustainability and Policy 10020 Use of School Facilities.

The modification to Policy 6080 consists of language regarding the evaluation of all HCPSS facilities. The modification can be found in section II.D, Operations and Maintenance Practices, of the implementation procedures.

The modification to Policy 10020 Implementation Procedures includes the prioritization of local geographical area use of facilities and reporting of non-use of facilities.

Both policies in their entirety can be accessed on the HCPSS website at <http://www.hcpss.org/board/policies/>.
