Policy Update

To: All Staff

From: Linda T. Wise  
Deputy Superintendent

On September 17, 2015, a modification to Policy 9090 Wellness Through Nutrition and Physical Activity was approved by the Board of Education.

Section V Nutrition Services; Foods and Beverages within the implementation procedures for Policy 9090 has been modified. Modifications include:

- Clarification that school meals will meet National School Lunch Program standards.
- Specification that a special celebration serving food and/or beverage may be permitted 12 times a school year, one of which may be an annual celebration allowed without time constraint.

To align the policy with the modified implementation procedures, section IV.D.3.b of the policy has been modified.

The policy in its entirety can be accessed on the HCPSS website at <http://www.hcpss.org/board/policies/>.

Thank you for your attention to this update.
