Policy Update
Policy 8100 Field Trips
Policy 8110 Student International Educational Travel

To: All Staff

From: Karalee Turner-Little, Deputy Superintendent

Due to a range of current challenges related to student international educational travel, on July 12, 2018, the Board voted to rescind Policy 8110 Student International Educational Travel. The Board also approved a title change for Policy 8100 from Field Trips, Domestic to Field Trips.

On August 23, 2018, the Superintendent provided to the Board modified implementation procedures to Policy 8100 Field Trips. The modification to the implementation procedures clarifies field trip planning processes, overnight field trips expectations, and transportation expectations. The updates align with appropriate safety and risk management practices.

All of these changes are effective immediately. The policy and implementation procedures in their entirety can be accessed on the HCPSS website at <http://www.hcpss.org/board/policies/>.

Thank you for your attention to this update.
