Circular No. 30
Series 2018-2019

October 10, 2018

Chief School Management and Instructional Leadership Officer

Community Superintendent Area Assignments

To: All Staff

From: Monifa McKnight, Ed.D. Chief School Management and Instructional Leadership Officer

The School Management and Instructional Leadership Division oversees the vertical educational delivery model that encompasses preschool through Grade 12 with a leadership team consisting of community superintendents and performance, equity and community response directors. Each community superintendent oversees a cluster of 26 schools consisting of elementary, middle, and high schools, and educational centers and is partnered with a performance, equity and community response director. This organizational structure promotes equity, improves efficiencies, increases community responsiveness and ensures academic excellence for all students.

The area assignments for the three Community Superintendents and Performance, Equity, and Community Response Directors are attached to this circular.

MM/cdf
